

FALCON FLYER

FIRELANDS HIGH SCHOOL

MRS JOHNSTON TO BE REMEMBERED

DECEMBER 5 BASKETBALL GAME VS EDISON A NIGHT TO REMEMBER MRS. JOHNSTON - On Tuesday evening, December 5th, FHS will honor the memory of Mrs. Johnston with a ceremony coinciding with the Boys Basketball Game against Edison. T-Shirts are on sale this week for \$10, with proceeds from the t-shirts to go into the Traci Johnston Scholarship Fund at Edison High School. Mrs. Johnston was not only a beloved Falcon staff member, but was also very active at Edison High School, where her children attended and participated in sports and other activities. Come on out to watch the Falcons battle the Chargers, but more importantly, come out to support and honor the memory of Traci, who was a big supporter of both Firelands and Edison High Schools.

Congratulations to members of the Band and Choir who participated this past weekend in the Honors Band and Choir event at Cleveland State University. Pictured here are members of the FHS Honors Band contingent

THANKSGIVING BREAK - Thanksgiving Break will run from Wednesday, November 22nd through Sunday, November 26th. The Firelands High School offices will be closed and we want to wish everyone a very happy, restful, and safe Thanksgiving Holiday as you celebrate it with friends and family.

NO FLYER NEXT WEEK - Due to the short school week, the Falcon Flyer will not be published next Monday, but will return on Monday, November 27th as FHS returns to school.

VOLUME 4, ISSUE 12

In this issue:

In Memory of Mrs. Johnston	1
2018-19 Preparation	1
Recognition	2
Schedule Highlights	2

NOVEMBER 13TH, 2017

Special points of interest:

- * BB Game v Edison on Dec 5
- * Added courses at FHS
- * No Flyer Next Week

2018-19 PREPARATION UNDERWAY

As the school year settles into the second grading period, preparations are already underway for the release of the 2018-19 school calendar and course of study catalog, which will be available in January.

Over the past four years, FHS has offered over 50 hours of college credit through College Credit Plus and AP Calculus and Physics. Next year, FHS is preparing to add two

more courses, which include AP Art and AP Chemistry. These courses are being considered so that students who have specific interests in those two fields can earn college credit in those specific areas.

These added courses would also up the offerings of college credits at FHS to near 60 hours, without ever leaving the FHS campus.

More details will be provided in the next few months as the course catalog becomes available, as our students will begin the scheduling process just after the second semester begins in mid-January.
