REPORT CARDS IN POWERSCHOOL

REPORT CARDS AVAILABLE IN POWER SCHOOL

ACCESS ON THURSDAY - With the third grading period coming to an end on Friday, March 16th, students will have access to their third grading period report cards on their Power School account on Thursday, March 22nd. Students can access their report cards, state testing information, and college entrance test scores in this portal. If you are having trouble accessing your account, please see your school counseling office for account information.

NATIONAL HONOR SOCIETY INDUCTION - The Firelands Chapter of National Honor Society will hold their annual induction ceremony next Monday evening, March 26th, at 7 pm in the FHS Gym. Come on out and celebrate our newest members as they are inducted into NHS.

FHS SECURITY DRILLS - FHS will hold security drills each month for the next three months, ensuring our students are well drilled in safety procedures. This Wednesday, FHS will hold a Tornado Drill, in conjunction with a statewide Tornado Drill at 9:50 am. Also, our students will be holding lockdown, and shelter in-place drills, which will be explained before the drills begin in the coming weeks.

NO FLYER NEXT WEEK - With the short week next week, signaling the beginning of Spring Break on Friday, March 30th, the Falcon Flyer will not be published. Happy Spring Break!!

The Select Choir performed the National Anthem on Friday before the start of the second round of the NCAA Division I Wrestling Championships at Quicken Loans Arena.

FINAL GRADING PERIOD FOR CLASS OF '18

The final grading period of the 2017-18 school year also signals the final grading period for our graduating seniors. In this exciting period of time, our Seniors should perform the following checks to ensure they are on-target to graduate, attend college, and/or are career ready upon Graduation Day, which is Friday, May 25th.

DOUBLE CHECK YOUR DIPLOMA - Seniors have already

been given the opportunity to check the spelling of your name on both the Graduation Program and your Diploma. Remember, your Diploma should have the same reference as your birth certificate, unless you have had a legal name change. Please ensure this week with the Counselor's Office that everything is in order.

GRADUATION PROGRESS

- With this being the first year of the State of Ohio new graduation standards, it is imperative to check in with your counselor to ensure you are on-track to graduate with both FHS or JVS credits, and are in compliance with End-of-Course testing requirements, which requires students to meet one of three testing requirements as mandated by the Ohio Department of Education.

FHS HIGHLIGHTS

FHS Highlights will be listed here each week to highlight different aspects of FHS Campus activities. Student achievements in the classroom, extra-curricular activities, and community events will be highlighted here, along with important information from both the FHS Main Office and the Athletic Department.

SELECT CHOIR BRILLIANT AT NCAA WRESTLING CHAMPIONSHIPS - The Select Choir was brilliant as they performed the National Anthem to open the Friday session of the NCAA Division I Wrestling Championships. The group was up to the task, as the Q was sold out with over 17,000 fans enjoying their performance and then the Wrestling Championships.

FFA HUNGER SIMULATION REPORT - The Firelands FFA designed and executed a student-lead hunger simulation on February 6th in the high school cafeteria. Freshman, sophomore, junior, and senior student-leaders from the school were invited to attend as participating members of society with a fake identity and financial standing. Each invited individual was given mock-money and assigned an economic class; such as upper class, middle class, lower class, and homeless. Throughout the demonstration, the high schoolers were

given a menu of breakfast foods with prices and asked to plan to their purchases and spending based on the amount of mock-money they were given in the beginning. Pretend tax-collectors and real world situations such as divorce or injury, commonly resulted in individuals losing a few dollars here and there; which made it even harder for the majority of people to buy the food. Harvest obstacles occurred as well, such as spoiled crops and flooding; which affected the price of food and made it difficult to finance buying more expensive (but healthier) protein; and led to most paying for cheap carbohydrates and less filling food.

The Business Management class wrote the plan and designed the simulation. The officers of the FFA chapter and Business Management Class ran this mock demonstration that included common economic trends and hardships that majority of citizens face every day. Just as the simulation left some students hungry in the end, many local families and children go to bed hungry every night. The demonstration brought attention to the harsh reality that many people in our own community. The chapter invited a speaker from Second Harvest Food Bank to present current statistics and information to the students after the demonstration was over.
