## CCP INFORMATIONAL MEETING—WEDNESDAY

**CCP INFORMATIONAL MEETING**—FHS will be hosting the annual College Credit Plus Informational Meeting on Wednesday evening, January 30th, in the Library Media Center at 6 pm. All are invited and students and parents who are enrolling in CCP for the first time are required to attend this informational meeting. Plenty of information will be presented on the positives, and challenges of participating in the CCP program. Representatives from LCCC and BG-Firelands are scheduled to attend. This meeting could be postponed due to the pending weather forecasted to affect all of Northeastern Ohio.

With impending arctic weather hitting this week, please stay informed by following Mr. Von Gunten and/or Mr. Maver on Twitter for updates. Also, the Firelands website will have school closing information, as well as a district email and all-call sent out to inform students and parents of closings and delays.

**FHS HONOR AND MERIT ROLE**—First semester grades have just posted at the LCJVS, so FHS is determining students for Honor and Merit Role for the second grading period, and first semester for JVS and CCP students. To be eligible for the Honors Banquet, a student must be on the Honor Role for all three grading periods on the year, or must have made the Honor Role in the first semester through the JVS or CCP programs, and have at least a 3.5 GPA during their current semester classes as of the close of the third grading period.

**TLC HOSTS VITALANT BLOOD DRIVE**—The Teen Leadership Corps of FHS will host a blood drive, this Tuesday, January 29th. This is your chance to donate blood! One pint of blood can save up to three lives and Vitalant bank needs your help. Their service provides blood specifically to Lorain County patients. Students must be at least 16 years of age to donate and students who are ages 16 and 17 must fill out the consent forms located in the office. See Mr. O'Rourke for further details.

## JUNIOR SAT DAY—PREPARATION

Junior SAT Day is Wednesday, March 6th. This test is free, and pre-registration will occur with Ms. Cozza. All JVS students will attend FHS that day for this free college test.

Ms. Cozza has developed a sensational SAT presentation that she will be presenting to all juniors in class over the next week. It covers the following:

Getting to know the basics of the SAT

Diving into the inner-workings of the SAT and how the scores work and what is considered a good score

What to expect on the content of the SAT, and what types of questions will be asked

How to prepare for the SAT,

and resources available to our students to prepare for this test. All of this is available to our students at no cost, including students at the LCJVS who would like to contact Ms. Cozza about these resources.

You can access the presentation by [clicking here](#). Thank you to Ms. Cozza for her work to help the juniors prepare for the SAT.
