

The Firelands Express

Volume 10, Issue 83

February 2020

Serving the communities of Amherst, Amherst Twp., Birmingham, Brownhelm Twp., Camden Twp., Florence Twp., Henrietta Twp., Kipton Village, New Russia Twp., South Amherst Village, Vermilion and Vermilion Twp.

Pictured above are members of Mrs. Walker's kindergarten class celebrating their 100th day of school. See Firelands Elementary News inside for more information and pictures.

Construction Update

In December, January and February meetings were held for students, staff and community to receive their input regarding the construction plans for the new high school. These educational visioning meetings form the basis of the criteria used to define the characteristics of the new building. These meetings assure that the community and District's goals are in alignment. This long and detailed process is critical in developing the blueprints for our new high school and we appreciate everyone's time and input.

New building tours continue as we look at the best ways to capture each dollar. These visits allow the team to see hands on the results of similar projects and learn from the experience of other districts. Moving forward, 2020 will primarily be a design year, with hopes of having a building pad started by late fall. All of 2021 through spring of 2022 will be construction. More photos from the visioning process continue on the next page.

Working in small groups, students shared their design ideas with Superintendent Von Gunten. The architect was also available to listen to and discuss student feedback.

Kindergarten 2020-2021 Registration Begins March 3

On March 3, Firelands' district parents and open enrollment applicants can begin registering their kindergartners for Fall 2020 online or in person at the Board of Education, 112 N. Lake St. in South Amherst. Online registration information will be posted on the website soon. In person registration is scheduled for March 3 from 8:00 to 3:00, or March 4, 3:30 to 7:00. No appointment is necessary.

Parents should be prepared to bring or upload the following documents: child's birth certificate, parent's identification card, two proofs of residency, shot records and if applicable, custody papers.

Applications for open enrollment are currently being accepted and must be completed before registering a student for kindergarten. For open enrollment questions, call the Board of Education at (440) 965-5821. For questions regarding registration, call Firelands Elementary School at (440) 965-5381.

THE FIRELANDS EXPRESS

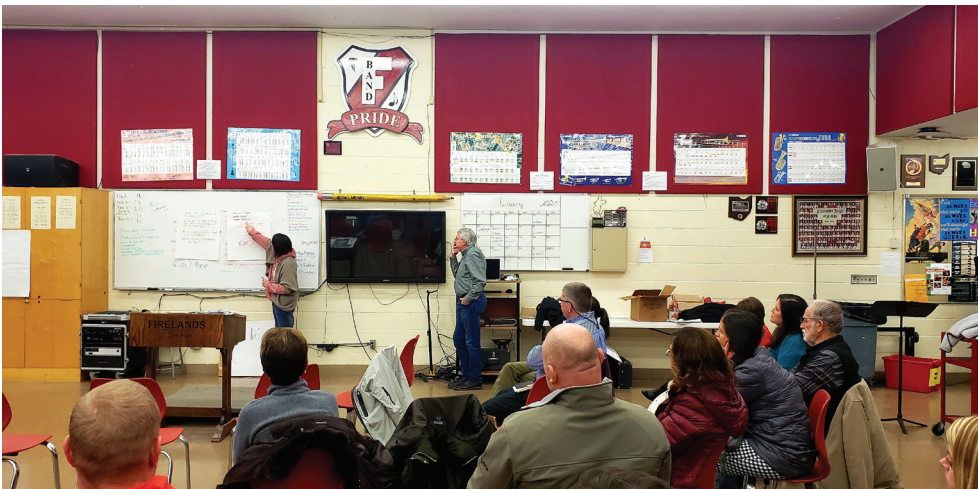

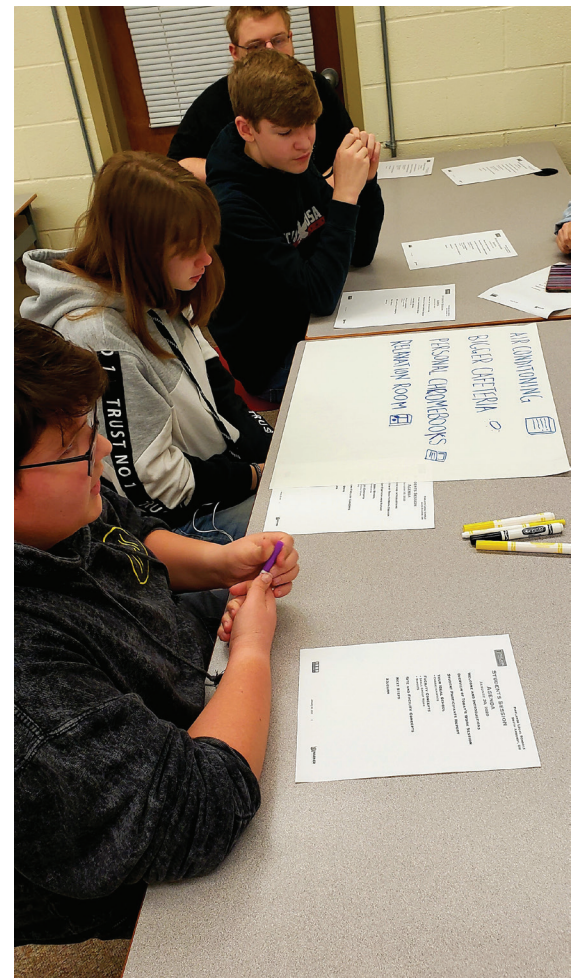

Firelands Community Comes Together in Visioning Process

Above, students at SAMS worked in small groups to share their ideas of what they want to see in a new high school. All ideas were recorded and discussed with our architect.

On the left, freshman and sophomore students at FHS worked together to establish what they felt was necessary to include in the new high school.

Other pictures depict staff, students and community sessions. For the past several months, this collaboration has provided a broad perspective of ideas, concerns and hopes for the new building. Staff input will help ensure the building functions efficiently and effectively throughout.

THE FIRELANDS EXPRESS

Firelands High School News

Congratulations Lady Falcons & FHS Wrestlers!

LC8 CHAMPIONS

Congratulations to the Lady Falcon basketball team for a fantastic season and for winning the LC8 Basketball title. The Firelands varsity wrestling team also had great success and won their LC8 title this year. Both teams are the firsts to hold these county titles as LC8 is new this year. Congratulations to all of our athletes for their hard work and dedication!

2020-21 SCHEDULING HAS CONCLUDED

The School Counselors have finished taking course requests for the FHS students for the 2020-21 school year. If parents have questions about the process, they are encouraged to call the School Counseling Department with questions.

HONOR AND MERIT ROLL, SECOND GRADING PERIOD

The Honor and Merit Roll are published to the FHS website. Congratulations to the 328 Falcons who earned this great distinction. Great job Falcons!!

COLLEGE INFORMATION MEETINGS

The FHS Counselors held informational meetings for students and parents on February 4th at Firelands High School. Incoming ninth graders and their parents were given information on the high school scheduling process, which occurred during the same week.

Juniors were invited to a Junior College Planning meeting, followed by an open meeting for all students who were interested in new enrollment in College Credit Plus. It was a very informational evening. For more information on this topic, please contact the school counseling office.

JUNIOR SAT DAY – WEDNESDAY, MARCH 4TH

The Ohio Department of Education provides the Scholastic Aptitude Test (SAT) to all juniors, free of charge. The SAT testing date will be on Wednesday, March 4th, with testing beginning at 7:30 a.m. on that date. This is a mandatory test for all juniors, including students attending the LCJVS

and CCP full-day students at both Lorain County Community College and BG-Firelands.

Students in the other three grades **will not have class that day** at Firelands High School. Students in grades 9, 10, and 12 should use the day to shadow career interests, or make it a college visit day. The SAT should end that day about noon. They will be excused at that time. Lunch will be provided, but is not required.

Students who receive testing accommodations may test that date until approximately 1:30 p.m. Please check with your student to see if they will receive special testing accommodations.

Students will begin to pre-register for the SAT in class and counselors will travel to the JVS to pre-register our students who attend school there.

Again, this is a mandatory test for all juniors, regardless of what school they attend (LCCC, FHS, or LCJVS). Please contact our school counseling office if you need further details or have any questions about this process.

SAT PRE-REGISTRATION

All juniors will be pre-registered for the March 4th test during class periods at FHS. Mr. Maver will be at the LCJVS registering all students who attend the LCJVS later this month.

FIRELANDS LIONS CLUB STUDENTS OF THE MONTH

Congratulations to senior Chance Coultrip on being named the FHS Lions Club Student of the Month for January, and to Savannah Murray who was named for February. Each student will be recognized at a Firelands Lions Club meeting and dinner during February and early March.

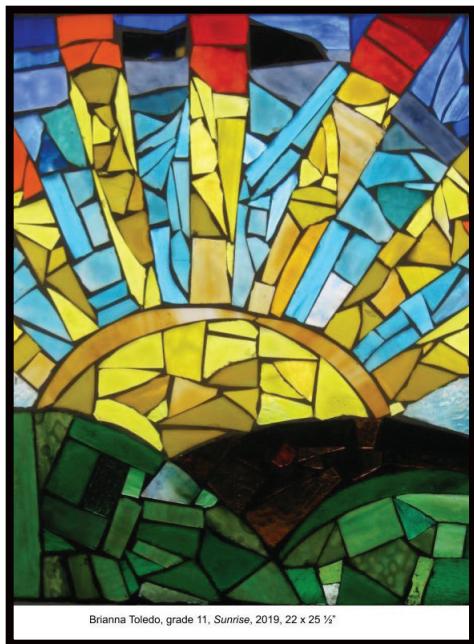

SAVE THE DATE

***Tuesday, March 10th**, Falcon Showcase from 6:30 to 8:00 p.m. in the FHS Gymnasium. This event is student-focused and is a direct reflection of their hard work and dedication. It is an excellent opportunity for the community to see the quality instruction within all of our buildings, and what the students have produced.

*Submitted by Robert Maver
FHS Principal*

Stained Glass Event Returns

The stained glass window mosaic gallery reception and silent auction returns for the 10th year. Join the Art 3, 4 and AP students for a celebration and demonstration of their 10 weeks of focused crafting in stained glass. 14 Students used salvaged windows and donated stained glass scraps to build their designs in mosaic. Many will be available for you to bid on. A reception will be held in the FHS library from 6:30-7:30 on March 24. Refreshments will be served and students will demonstrate the process. The

Brianna Toledo, grade 11, Sunrise, 2019, 22 x 25 1/2"

silent auction opens at 6:45 and closes at 7:15. Winning bidders must pay via check that evening. All windows are on display in the FHS library now through the close of the auction on March 24.

The FHS art department is funded entirely on student fees and the generous support of the community. This project started in 2010. The first auction and reception was held in 2011. Over 145 windows later, the students and art department have earned nearly \$5000.

The sales fund the students directly, restocks tools and supplies for next year's project and the art class field trip to Cleveland public art, museums and galleries in September. Local artists Sheree Ferrato of Verite Glass in Oberlin and Mark Mazurak generously donated 25 gallons of scrap stained glass this year.

Open to the public and community all supporters of Firelands, family, friends and neighbors of student artists, rising art students and collectors of art are encouraged to attend this event.

2020 Summer Art Camp

The 2020 Summer Art Camp is now enrolling for Firelands students who have just completed grades K - 8. Students can spend 5 mornings creating art. This year's theme is "Game Time". Each day will introduce a new topic to inspire the hands-on art projects and activities. Students will draw, paint, print, craft and sculpt during the week. Founded by 2017 alumnus Grace Pohorence for her 2016 Girl Scout Gold Award project, this program is operated by the Firelands High School Art Society. Campers will be divided into four "studios" of completed-grades K-1, 2-3, 4-5 and 6-8 with two high school art students teaching each studio. A maximum of 15 campers will be accepted to each class. A waitlist will be kept. High School Art Teacher Laura Tawil will be on-site supervising the entire camp.

Camp is held at Firelands Elementary School June 15-19 from 9am until 11am. Registration forms are available from FES (Mrs. Proehl) and SAMS (Mrs. Szemplak) or by emailing Laura Tawil at <ltawil@firelandsschools.org>. Camp costs \$25 per child. Cash is accepted, and checks can be made out to "Firelands Fine Arts". Enrollment closes May 15.

Open Enrollment Process

On February 3rd, Firelands Local School District began accepting open enrollment applications for new K-12 students for the 2020-2021 school year. Parents from any school district in Ohio are welcome to apply, but space is limited and will be awarded on a first come, first served basis. Enrollment is tuition free, but parents must pay for all school fees.

If a grade level closes, we will still encourage parents to complete the open enrollment application and will maintain waiting lists until July 1st. On July 1st, open enrollment will end for the 2020-2021 school year.

The new online application is working well and does provide space for you to upload documents in PDF format, such as IEP, WEP or 504 plans. If you are unable to do the uploads, you can bring the documents to

the board office. Parents of new high school students also need to submit their last report card.

Parents will be notified of their status by Superintendent's Office throughout the process. Please contact Sue Schaefer in the Superintendent's Office at 440-965-5821 if you have questions.

RETURNING Open Enrollment Parents: If your child was open-enrolled last year, you must confirm that they are continuing by filling out the quick online form.

It will be found in the same location, on the "student registration" page of the website. You will receive confirmation of their continued open-enrollment by email from the Superintendent's Office.

Actual registration for new students will begin in April, so look for more information about that in the next Express!

**Prince and Princess
Pancake Breakfast 2020
Saturday March 21st
from 9:00 am- 11:30 am**

Come dressed as your favorite prince or princess (optional) for an All-You-Can-Eat Pancake Breakfast at South Amherst Middle School

Cost of the breakfast is your generous donation at the door.

Enjoy fun games and activities.

Choose from face-painting, crown-making, a nail polish station, and make-and-take swords.

Create an autograph book to have all the Princes and Princesses sign.

Enjoy singing and mingling with our Select Choir members dressed in costume.

Pictures, awesome raffle basket tickets, and other items available for a nominal charge.

All are welcome the morning of the event but there is a prize for any child who pre-registers.

People who pre-register can get an early picture time starting at 8:30 to avoid the wait.

Please RSVP by March 18th via voicemail or text to Sheila Iwanek 440-315-5731.

Please include the number of adults attending and the number and names of the children attending.

Students Supporting Soldiers & Veterans

Valentine Hugs for Soldiers

The Veterans Club at South Amherst Middle School teamed up with "Hugs for Soldiers" out of Duluth, Georgia to send some cards filled with hugs and encouragement to our deployed soldiers. Mrs. Budweg, Mrs. Doane and Mrs. Neal facilitate this club with the purpose of educating students in a variety of

ways to support our soldiers. The most overlooked "American" holiday appears to be Valentines Day. Some would argue that this holiday is especially difficult for the women who are so far away from their families. It was no surprise that some of the high school students from Tri-M (a music honor

society) under the direction of Mrs. Johnson joined us in making letters of encouragement this year.

"Hugs for Soldiers" was founded in 2003 and is dedicated to offering cards or letters of encouragement to brighten a Soldier's day. Our "adopted" troops, who are deployed thousands of miles away from home need to be reassured that America cares about them.

Thank you to our Firelands students who provided love and support for our military who make daily sacrifices for our freedom.

FES First Graders & Project Rudolph

First Graders at FES helped bring some holiday cheer this year to veterans staying at the Cleveland VA hospital in downtown Cleveland with a little help from the Lorain County Grange. Students wrote letters thanking veterans for their service and created festive holiday bags.

The bags were filled by the Lorain County Grange with small handmade ornaments and candy. The goodie bags and letters were delivered by the Grange to the VA hospital just before the Christmas holiday and were received with much appreciation. Many thanks to all who helped contribute to this project!

Gratitude for BHA Donation

The Firelands Local School District (FLSD) is pleased to announce that the Brownhelm Historical Association (BHA) has provided the district direct support in the amount of a \$1,800 donation.

Due to the BHA's fundraising efforts, the district shall receive funds that will:

- support the Firelands Elementary School Library
- support students in financial need who wish to attend the historic Philadelphia field trip
- support a graduating student who is interested in history that is looking to further their education

The fundraising committee of the BHA was able to exceed their personal fundraising goal and chose to dedicate a separate fundraising event for the benefit of Firelands students.

The Firelands Local School District recognizes this strong partnership from one of our great community organizations. Mike Von Gunten, Superintendent of Firelands Local Schools stated, "Support from the Brownhelm Historical Association is greatly appreciated. Their financial assistance will benefit countless number of students and for that we are extremely grateful."

For more information about the BHA, visit their website at brownhelm.org. The next meeting is March 4th with business from 6:30 to 7:00, followed by socializing and a program starting at 7:30. You can also contact the BHA by emailing brownhelmhistory@gmail.com.

Firelands Choir Booster Meetings

New Members Welcome!

Tues March 17th 6:30

Tues April 21st 6:30

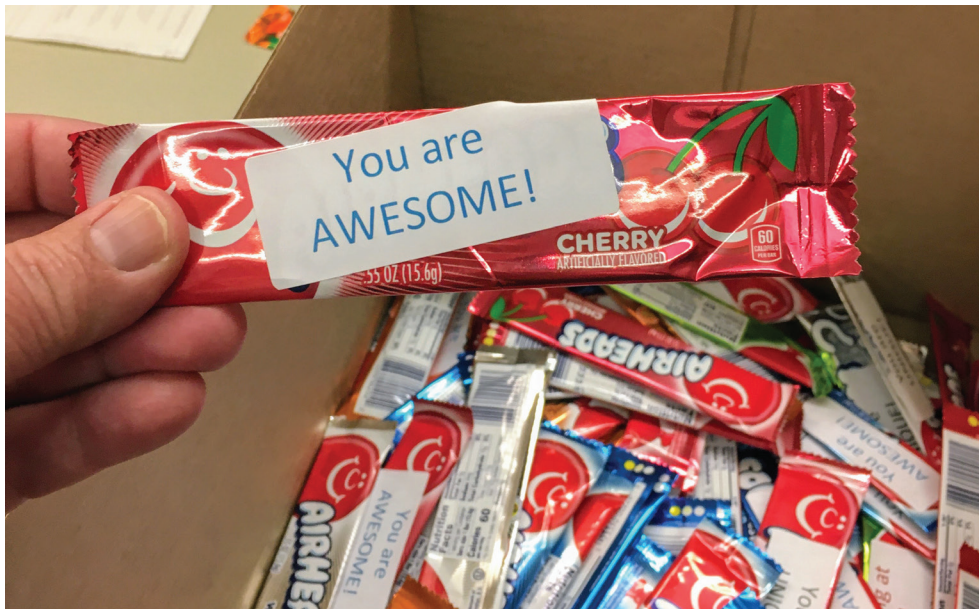

All meetings held monthly in the Library at FHS. Please join in our fun as we plan for our choir students.

SAMS Students Inspire Belonging, Love & Kindness

SAMS Inspire group is hard at work spreading love and kindness this week. The students will hand out candy with positive messages to all of the student body on Valentine's Day. Inspire is a group designed to make everyone feel that they belong at SAMS. We hope they inspire others to do the same!

SAMS Art Club Animal Portraits Help Adoptions

The Art Club at South Amherst Middle School partnered with the Friendship Animal Protective League in Elyria to create drawings that help encourage people to adopt. The drawings were donated to the FAPL for display but when the animal is adopted, the new family gets to take home the student artwork as a gift!

Students loved working on this project and are happy to help these adorable cats and dogs. The students will go to the Friendship Animal Protective League to visit the animal they drew.

For more information on animals that are available for adoption through Friendship Animal Protective League of Lorain County [visit their web page](#) or call (440) 322-4321.

SAMS Art Department and Art Club is led by Ms. Kacie Szemplak.

More artwork is online in the Falcons blog: <https://falcons.wordpress.com/2020/01/22/sams-partners-with-friendship-apl/>

24 Game Tournament Challenges Students in Mental Math Fluency

Eight 4th and 5th grade math students competed on February 6th at the 24 Game Tournament sponsored by the Educational Service Center (ESC) of Lorain County, against students from several area schools. The 24 Game is a number fluency game that combines speed and accuracy. After the semifinal rounds, fifth grader Ashton Lutz advanced to the final round, while Zachary Radman earned 1st place in the 4th grade consolation round!

We were excited to share the field trip with 12 Firelands High School students who volunteered to serve as proctors at the tournament, many of whom had competed as elementary students! Congratulations to all students who worked hard for this accomplishment! Our semifinalists included Aaron Powers, Mia Lykins, Zachary Radman, Cole Deitz, Colin Elkin, Ashton Lutz, Joey Battaglia, and Ian Anderson.

Fun Run Fundraiser

The FES Parent Teacher Group (PTG) and administration would like to thank our families and community members for participating in the recent Fun Run fundraiser for the building.

It was a huge success. For two weeks, students listened to messages about character building and reached out to families and friends for their support. They were also able to earn prizes as they met various challenges. This helped them to be engaged and motivated for the event.

The Fun Run was held on February 7. Students had a great time running or walking their laps in the gymnasium. It was decorated and lit with lights to create a fun environment. All funds raised will be used for updating and maintaining the playground and classroom materials for our hard working teachers. Again, thank you!

100th Day of School Celebrations

On Monday, February 10, the kindergarten students celebrated their 100th day of school.

Students dressed up, brought in a guessing bag filled with 100 items, sorted 100 pieces for a snack, and participated in a variety of activities with the number 100. They were excited to be 100 days smarter!

Second graders also celebrated their 100th day! In the morning, students came in and were asked to draw themselves how they think they would look when they are 100. The 2nd graders then worked in math rotations building things using 100 popsicle sticks, 100 Dominos, 100 cups, 100 Unifix Cubes, 100 pattern geometry

blocks, and 100 coins. The students loved building with these items that we use all throughout the classroom in 2nd grade.

We ended our day with making 100's Day Trail Mix. All students were asked to bring in 100 edible items to share for our trail mix. It sure was a delicious treat which included M&M's, cereal, pretzels, Hershey Kisses, Skittles, and so much more.

FES Math and Tech Club

Firelands Elementary has a new club - Math and Tech Club! The Club is open to 4th and 5th graders who are interested in increasing their math skills and in discovering the ways math and technology are related. Currently, students are working on creating three-dimensional objects in TinkerCad, an online computer-aided design (CAD) program. Their creations are turned into reality when they are printed on the school's new 3D printer! These 3D printing projects encourage creativity, collaboration, and problem-solving.

Parent Teacher Group (PTG)

FES is lucky to have a valuable Parent Teacher Group. This group of parents works hard to provide needed items to our staff and building. They also plan and fund many activities for our students. Please consider being a part of this volunteer group. Their next meeting is scheduled for 6:30 pm on March 5th in the FES Library. Come to find out what events are happening and how you can help. You can also find out more by finding them on Facebook (Firelands Elementary School PTG) or on Twitter (@FESPTG).

Transportation Updates

In October 2018, just one week after National School Bus Safety Week, there were three separate accidents that took the lives of five students in three different states. In Indiana, 3 members of the same family were killed as the driver claims she did not see the bus until it was too late, though the bus was stopped with its warning lights on and the students had already begun to cross the road.

This has been an ongoing issue, but it is happening far too often, many times making national news even when there is no one struck or injured. In the Cleveland area, a driver drove on the sidewalk to go around the bus and last fall one driver drove into a yard to get around a bus. As a bus driver, it is nearly impossible to write down a license number, description of the driver, make and model of the vehicle, all while you are

paying attention to the safety of the students!

Last fall, Firelands approved the installation of three stop arm cameras as a pilot program to gather information needed by our Law enforcement agency to track the violators. We selected buses that travel on Baumhart Road and some of State Route 113, as they seem to be the areas that have the most violators. Since mid-November, we have had found that between the Ohio

turnpike and North Ridge Road to be the area that has seen the most occurrences!

The intent is not see to how many people we can turn in for passing the buses that are stopped for loading or unloading, but for the safety of our students as we share the roadways with all the traffic.

Remember, the yellow warning lights mean the bus is slowing down and approaching a school bus stop. When the driver stops and opens the door, the red lights automatically come on, and you are required to stop according to ORC 4511.75.

Here is what Ohio law says about stopping for a school bus:

Drivers on the road may be confused when they see a school bus stop arm pop out during a student's drop-off. When do drivers need to stop and when are they allowed

to continue driving? The law depends on the number of lanes.

On a two-lane roadway, **even a roadway with a center turn lane**, drivers traveling in both directions must stop for school buses. By law, drivers must remain stopped until the bus is in motion again or the bus driver signals that traffic can proceed.

On a road with four or more lanes, drivers on the opposite side of a stopped school bus do not need to stop. Only vehicles on the same side of the roadway are required to stop. That law is applicable in Ohio, but not in all other states. On roads with four or more lanes, Ohio law requires that school buses pick up students on the same side of the road that the passenger lives on.

A driver breaking these laws can face fines up to \$500 and a temporarily suspended license.

FFA Cleans Up Community & Helps Ronald McDonald House

Firelands FFA is currently leading the state-wide competition! Help us and help Ronald McDonald House Charities by sharing this information & by promoting donations!

Get rid of those old, unused vehicles and farm equipment while benefitting Ronald McDonald House Charities (RMHC). Through April 24, 2020, Ohio FFA chapters are ridding their communities of unneeded vehicles and farm equipment. At no cost to you or your local FFA chapter, RMHC will pick up the vehicle or farm equipment and tow it to the nearest auction location. This program is made possible by Telhio Credit Union.

Through April 24, 2020, Ohio FFA Chapters will work with their

local communities to get vehicles donated. At no cost to the FFA chapter or community member contributing the vehicle, RMHC will pick up the donated vehicle or equipment.

Community members interested in donating a vehicle or equipment can do so via phone using the program-specific number: 800-332-8201 (use code #OH0088 for Firelands).

Each donation will be tracked to the chapter using the chapter's unique identification number. Firelands code is #OH0088! This spring, Telhio Credit Union and the Ohio FFA Foundation will award \$10,000 to the Ohio FFA chapter with the most vehicles donated!

School Immunization Requirements for 2019-2020

If your child will be entering 12th grade, 7th grade or any grade for the first time -- it is now time to update immunizations. If entering school for the first time, or after attending school elsewhere, please be sure to check that your child is in compliance with State of Ohio immunization requirements.

- **Kindergarten** – once your child has reached age 4, s/he can complete all required immunizations for diphtheria, pertussis, tetanus (DPT), polio (IPV), hepatitis B (HBV), measles mumps, rubella (MMR), and varicella (chickenpox). If going to be entering kindergarten next year, if possible, have them done and bring a copy of the record to Kindergarten screening in May.
- **Grades 1-6** – same requirements as for Kindergarten
- **Grades 7-10** – grades K-6 requirements plus Tdap (DPT booster) and MCV (meningococcal vaccine)
- **Grade 11** – grades K-6 requirements plus Tdap (received in 7th grade or later)
- **Grade 12** – grade 11 requirements plus MCV (must be received at age 16 or older)

Remember to bring your child's immunization records with you when you go to your healthcare provider or clinic. Please send a copy of the immunization record to the school nurse in your child's building, being sure your child's name is on it. Don't forget to keep a copy for yourself!

Lorain County Public Health, 9880 S. Murray Ridge Rd., Elyria, OH 44035 is now offering immunizations (also known as vaccines) Monday through Friday, 8:30 am – 3:30 pm, with evening hours throughout the month. A full vaccine clinic schedule is available at www.LorainCountyHealth.com.

Appointments are encouraged, although walk-ins are accepted. Call **440-284-3206** for information or to make an appointment for both children and adults. Bring all immunization records, insurance cards, and cash or check; although some children may be eligible for discounts under the Vaccines for Children (VFC) program. All children under age 18 must be accompanied by a parent or guardian.

Note: Ask your provider about additional vaccines that are recommended for children ages 11-19 such as 2nd dose of varicella (chickenpox), hepatitis A and human papillomavirus (HPV) vaccines.
