DRIVING TO SCHOOL PLEDGE

I understand that I must, at all times, drive in a safe and sane manner and that I must be especially careful in the areas about the school. I have read the regulations pertaining to student driving, and I agree to abide by these regulations and any others that may be imposed by the school administration. I understand that if I should fail to do so my right to drive to school may be revoked. I have liability insurance on my car.
