You are being offered the following **Volunteer** position(s) with the Firelands Local School District for the 20__ - 20__ school year.

Volunteer Position	Building	Step
For Office Use Only:		

Boards of Education and most other agencies and organizations serving children are now required to notify all volunteers who have “unsupervised access to a child” on a regular basis that they MIGHT be subjected to a criminal records check (AM.Sub.S.B. 187, 123rd General Assembly). This notification is required not only for new applicants, but also for volunteers who are already serving in the schools. “Unsupervised access to a child” is defined as any indoor situation in which there is no other person 18 years of age or older present in the same room, or any outdoor situation in which no other person 18 years of age or older is within a 30-yard radius of the child or has visual contact with the child. “On a regular basis” is not defined, nor is the term “volunteer”.

I have met personally with the building principal and/or athletic director and reviewed the information listed above. I am fully aware of all responsibilities relating to this/these **Volunteer** position(s) and request that my name be presented to the Firelands Board of Education for approval.
