This privilege must be earned, and may be revoked if the student fails to continue meet the ERLA and FAST requirements. **Applications must be returned to the school Assistant Principal.** Students will be notified of their early dismissal status when all requirements are met. **Students are not to begin early dismissal/late arrival until notified by an Administrator.**

2. It is understood that there could be days when school obligations will conflict with early dismissal/late arrival. In such cases the school responsibility will take first priority.
