SCHEDULING FOR the 2020-21 SCHOOL YEAR - Upon return from Winter Break, our school counselors will begin meeting with students regarding their course options for the 2020-2021 school year. The counselors will first meet with students in their English classes to review course offerings, graduation requirements, and special programs for each grade level. The 2020-2021 Course Selection Guide will be available for all to view on the Firelands High School website. Students will bring home a schedule request form to review and get signed by their families. Each grade level will have time to review and discuss decisions, then the counselors will return to their classes to assist students in selecting their requests online.
