## FROM THE SUPERINTENDENT

### Reminder: Coffee with the Superintendent

*If you are interested in hosting a "Coffee with the Superintendent," please contact Linda Seman at 440.965.5821 to initiate an informal discussion with Dr. Hill*

In a recent conversation with a colleague, I was reminded of a story told by Jamie Robert Vollmer, a former business executive and attorney who now works as a motivational speaker and consultant to increase community support for public schools. In a time of change in this great country, I find this story fitting.

*The Blueberry Story: The teacher gives the businessman a lesson*

*"If I ran my business the way you people operate your schools, I wouldn't be in business very long!"*

*I stood before an auditorium filled with outraged teachers who were becoming angrier by the minute. My speech had entirely consumed their precious 90 minutes of in-service. Their initial icy glares had turned to restless agitation. You could cut the hostility with a knife.*

*I represented a group of business people dedicated to improving public schools. I was an executive at an ice cream company that became famous in the middle 1980s when People Magazine chose our blueberry as the*

*"Best Ice Cream in America."*

*I was convinced of two things. First, public schools needed to change; they were archaic selecting and sorting mechanisms designed for the industrial age and out of step with the needs of our emerging "knowledge society." Second, educators were a major part of the problem: they resisted change, hunkered down in their feathered nests, protected by tenure, and shielded by a bureaucratic monopoly. They needed to look to business. We knew how to produce quality. Zero defects! TQM! Continuous improvement!*

*In retrospect, the speech was perfectly balanced - equal parts ignorance and arrogance.*

*As soon as I finished, a woman's hand shot up. She appeared polite, pleasant - she was, in fact, a razor-edged, veteran, high school English teacher who had been waiting to unload.*

*She began quietly, "We are told, sir, that you manage a company that makes good ice cream."*

*I smugly replied, "Best ice cream in*

*America, Ma'am."*

*"How nice," she said. "Is it rich and smooth?"*

*"Sixteen percent butterfat," I crowed.*

*"Premium ingredients?" she inquired.*

*"Super-premium! Nothing but triple A." I was on a roll. I never saw the next line coming.*

*"Mr. Vollmer," she said, leaning forward with a wicked eyebrow raised to the sky, "when you are standing on your receiving dock and you see an inferior shipment of blueberries arrive, what do you do?"*

*In the silence of that room, I could hear the trap snap.... I was dead meat, but I wasn't going to lie.*

*"I send them back."*

*"That's right!" she barked, "and we can never send back our blueberries. We take them big, small, rich, poor, gifted, exceptional, abused, frightened, confident, homeless, rude, and brilliant. We take them with ADHD, junior rheumatoid arthritis, and English as their second language. We take them all! Every one! And that, Mr. Vollmer, is why it's not a business. It's school!"*

*In an explosion, all 290 teachers, principals, bus drivers, aides, custodians and secretaries jumped to their feet and yelled, "Yeah! Blueberries! Blueberries!"*

*And so began my long transformation.*

*Since then, I have visited hundreds of schools. I have learned that a school is not a business. Schools are unable to control the quality of their raw material, they are dependent upon the vagaries of politics for a reliable revenue stream, and they are constantly mauled by a howling horde of disparate, competing customer groups that would send the best CEO screaming into the night.*

*None of this negates the need for change. We must change what, when, and how we teach to give all children maximum opportunity to thrive in a post-industrial society. But educators cannot do this alone; these changes can occur only with the understanding, trust, permission and active support of the surrounding community. For the most important thing I have learned is that schools reflect the attitudes, beliefs and health of the communities they serve, and therefore, to improve public education means more than changing our schools, it means changing America.*

*I look forward to the support of our parents and community members to ensure that the Firelands Local School District offers the best possible education for all students!*

**Go Falcons!**

# GUIDANCE CORNER

Current 8<sup>th</sup> grade students and parents are invited to the FHS Freshmen orientation on Monday, March 3rd, at 6:30 p.m. in the Firelands High School Gym. This will kick off the online scheduling process for their Freshman year.

There will be a Dual Enrollment parent meeting February 27th, conference night, at 6:30 p.m. in the Library. Parents will learn about the different Dual Enrollment Opportunities available at the high school and LCCC.

### Freshman Class

The Freshman class will start the online scheduling process the week of February 24<sup>th</sup>. Students will learn different opportunities for their sophomore year including Project Lead the Way. Project Lead the Way (PLTW) offers a dynamic high school program that provides students with real-world learning and hands-on experience. The PLTW curriculum allows students to see how the lessons they learn in the classroom are valuable tools to be applied in their everyday lives.

### Sophomore Class

The Sophomore class will start the online scheduling process the week of February 18<sup>th</sup>. Students interested in attending the JVS for the 2014-2015 academic school year must apply online at [lcjvs.com/high-school/how-to-apply.shtml](http://lcjvs.com/high-school/how-to-apply.shtml) by March 1st.

The Ohio Graduation Test will be March 10<sup>th</sup> – 14<sup>th</sup>. All sophomores are required to take and pass all 5 portions (Reading, Math, Writing, Science, and Social Studies) in order to graduate. This will be their first opportunity to meet this graduation requirement.

### Junior Class

The Junior class participated in online scheduling last week. Students were given opportunities available to them for their senior year including Dual Enrollment Pro

grams at FHS, LCCC, and LCJVS. Mr. Moore also presented information regarding the TEE Program for students interested in the Teaching Profession. Students who do not have an English class at FHS need to stop in the guidance office to schedule their senior year.

College bound Juniors need to register to take the ACT this spring. You can register on-line at [www.actstudent.org](http://www.actstudent.org) or pick up a registration packet from the guidance office.

### Senior Class

The application for the endowment scholarships is now available online. Visit the Firelands website at [www.firelandsschools.org](http://www.firelandsschools.org), click the high school > guidance > financial aid and college/scholarship resources and view the Scholarship information. Here you can download the local scholarship application.

Mr. Wortmann, a college financial advisor, will be assisting families with the financial aid process. You can call him at 216-241-5587 with any questions you may have.

Attention Seniors who are not at FHS on a daily basis: The Endowment Scholarships and other Firelands Local Scholarships are available online or in the guidance office. These scholarships are due back to the guidance office by March 21<sup>st</sup>. Please contact the guidance office with any questions or concerns. Our office number is 965-5335.

## TLC Update

Written by Nathan Kromer

A good cause is worth the effort! Through organizing a Dance Marathon with BGSU, the Firelands Teen Leadership Corps has done just that. We prepared and planned this dance with diligent effort to make it as successful as possible. As BGSU likes to say, "It's for the kids!". Our efforts and those of the larger Dance Marathon the University holds are run to support the Children's Miracle Network. With the support of our peers and DJ Fester Fest, our school was able to raise \$540 for this organization! Clean your closets and save you spare change because we have big plans coming up! Our TLC group will be hosting a Goodwill toy drive and Pasta for Pennies drive in the near future. Thank you to the Firelands Community that makes these things possible!

## Attention: Parents of children entering Kindergarten in the Fall of 2014

Kindergarten registration is just around the corner. Make it easy on yourself by having everything you need for registration, including a complete shot record! If your child has turned 4 years old, he/she is now old enough to get all of his/her immunizations required for school entry. You can take your child to your regular healthcare provider, to one of the county health department child immunization clinics, or to a retail clinic, in order to get these shots. Just remember to take a copy with you to the healthcare provider, then bring a copy of your child's shot record with you when you register at school. Don't forget to keep a copy for yourself!

Check [www.loraincountyhealth.com](http://www.loraincountyhealth.com) for dates, times, locations of health department child immunization clinics, or call 440-322-6367. There is a charge for each immunization, but no one is turned away from a health department clinic because of inability to pay. Be sure to have your child's immunization record with you when you go.

If possible, please have them completed before kindergarten registration in March, and..... **remember your child must be 5 years old BY AUGUST 1<sup>ST</sup> to register for Kindergarten.**

## Winter Sports Updates from our Coaches

### MS Wrestling

The South Amherst Middle School wrestling team has enjoyed an impressive season so far. Currently the team is (15-5) in duals, and (10-1) in conference duals, the only PAC loss coming to Buckeye. At every tournament so far this year, the Falcons have placed in the top four as a team. The team started off the year with a first place finish at the Seneca East Invitational, a fourth place finish at the Clyde Invitational, a third place finish at the Vermilion Holiday Dual Tournament, and a runner-up finish at the New London "Randy Harner" Invitational. The only event remaining on the team's schedule is the Patriot Athletic Conference tournament, February 8<sup>th</sup>. Heading into the conference tournament the Falcons have two undefeated wrestlers Jacob Campbell (32-0) and Sean Lipscomb (31-0), as well as four other wrestlers who have accumulated twenty or more wins this season: Dylan Decker(22), Joey Tipple(22), Ryan Hoffman(22), and Tyler Bennett (20). Go Falcons!

### HS Wrestling

The 2013/14 Firelands Varsity Wrestling team is lead by trio of wrestlers this season: Seniors, Noah Pine and Austin Scott, and Junior, Nick Johnson. Noah's win-loss record is currently at 23-15; Austin is 21-16 and Nick is 19-12. The rest of the team is comprised of 13 Freshmen, 1 Sophomore, and 1 Junior. We are a very young, but up and coming team. To the casual Firelands sports fan the Varsity Wrestling Season could be viewed as being very similar to the winter weather we are having, in that the season seems long, cold and unforgiving. But, if you look deep enough there is a lot of promise. This year the wrestling team went 1-4 in the Star Division of the Conference. On the surface, that number may not excite anyone, but there is excitement in what has been accomplished this season. Firelands wrestlers beating Black River in a dual meet, for the first time in a very long time. We also defeated Brooklyn and Columbia, who are both in the Stripes Division of the Conference. Both teams defeated Firelands the previous year. Looking to the future, Max Hertensteiner (16-16), Robby Woods (10-7), and Ben Laughery (16-18), are just a few of the Freshman that have shown great promise and have the coaching staff are excited about the future of the team. The Varsity team has wrestled a very tough but competitive schedule and the future holds some exciting opportunity! We would like to thank Brian Mastellone and Lighthouse Insurance for their continued support. We would also like to thank all of the parents and participants of the Falcon Youth Wrestling Program. The Jim Solomon Memorial Invite was held on Jan. 18<sup>th</sup>. It was another successful event thanks largely to all of the parent support. Thank you to Mrs. Campbell, Mrs. Lipscomb, and the rest of the MS parents for heading up the concession stand. Thank you to Mr. Campbell, Mr. Bennett, Mr. Ives, and the rest of the people who helped work the tables during the day. Go Falcons!

### HS Girls Basketball

The Freshmen girls basketball team is 6-7. The girls have shown tough resilience and great teamwork as the season carries on. They came from behind during games to beat Brookside and Midview. Last Saturday (February 1) they beat Buckeye by one point, a team that had previously beaten them by 8 points. Hailey Blankenship leads the team with 52 points, followed closely by Olivia Harris with 48 and Libby Skolnik with 45. The JV team has had another outstanding year going 14-3 thus far and 10-2 in the PAC. Last season the JV team had the best record in the Patriot Athletic Conference. Our Varsity girls have done it again! We are the PAC champions for the second consecutive season, we are currently 12-0 and 15-2 overall. It has been a very exciting season thus far, losing the first game of the year and then winning 14 straight games before losing a heart-breaker 52-51 against North Ridgeville. The Lady falcons will be wrapping up their seasons over the next two weeks, wish us luck.

### MS Girls Basketball

Despite the cold winter weather, school closings, and practice cancellations, each player of the 8th grade girls basketball team comes ready to work hard every day. Their record is now 2-3, starting the season off with losing to Columbia and then Fairview. Continued practice in the gym led to 2 wins against Sheffield Middle School and Wellington, followed by a loss to Black River. Good luck with the rest of your season girls. The 7th grade girls basketball team is in first place at 6-0 following a come from behind win vs. Oberlin 21-18 with some clutch shooting by Siera Hess, who has 43 points for the season, and Peyton Phillips, who has 30 points for the season, and is leading the team in steals. Team defense has been the key with help side defense and starting to learn how to rebound. Two of the defensive leaders have been Cody Woods, with 13 points and Rachel Taddeo with 8 points & team leader in rebounds. Other defensive leaders are Alex Velez and Klynn Eary, who has 8 points. Isabel Solowiej has 6 points and has been very strong defensively as has Liz Dewitt, who has 6 points. Jasmyn Munoz has done a nice job at point guard and has 7 points. Madison Flanagan has been improving her rebounding and has 2 points, and Lilly Dempsey has been making nice passes when inbound. We've been having fun.

### MS Boys Basketball

The South Amherst Middle School 7<sup>th</sup> grade boys' basketball team recently ended a successful season with an 11-6 won lost record and a 4<sup>th</sup> place finish in the conference tournament. Try outs began in late October and the following boys were chosen for the team: Alex Bauer, Riley Bayus, Beau Grude, Carter Grude, Nathan Hammond, Matthew Kovach, Adam Lacey, John Mullins, Blake Ruffner, Alex Steindl, and Austin Urban. The boys did an excellent job representing the Firelands community. They were very competitive on the court and played with a lot of heart. Individually and as a team they showed improvement throughout the season. They were also very well behaved and respectful toward the officials, opponents, coaches and fans.

We can all be proud of their efforts. Congratulations guys for a very good season and we look forward to even better things to come for you in the future. The Falcons 8<sup>th</sup> Grade boys' basketball team ended its season with a record of 7-9. The Falcons had many exciting and close games. During the regular season the Falcons defeated Black River twice, Brookside once, Columbia once, Brooklyn once, Brookside once, and Fairview once. The Falcons lost to Oberlin, Clearview, Wellington twice and Keystone twice. The Falcons were the 8<sup>th</sup> seed for the PAC tournament. In the first game of the tournament the Falcons handily beat Brooklyn 62-29. The win was a total team effort with everyone contributing. The Falcons then played the #1 seed Oberlin Phoenix. It was a close game all the way, with the Falcons taking a one point lead in the 4<sup>th</sup> quarter. Turnovers at crucial moments were too much to overcome and the Falcons fell 39-45. The boys played tough all year long and never gave up, scrapping their way back in many games. I am very proud of the way they have handled themselves. I believe they have really improved as the season has progressed. This group has the ability to strengthen the program if they continue to work on all the aspects of basketball. On the team this year was: Nick Denney, Hunter Willbond, Michael Bansek, Aaron Myers, Eric Jones, Cory Jones, Zach Talbot, Spencer Street, Calvin Jones, Alex Szemeis, and Evan Lacey. Good Luck and work hard in the offseason!

### HS Boys Basketball

The Firelands Boys Freshmen basketball team is currently at eight wins and four losses overall and is seven wins and two losses in PAC play. The boys are building on basketball fundamentals taught at the varsity level, and are improving in their skills both offensively and defensively. The team is enthusiastic and is working hard to contribute to the JV program next year. They scrap and play hard from the opening tip to the final buzzer. Keep up the good work boys and 'Go Falcons!' The current roster consists of the following players: Ben Akoa, Patrick Brightbill, Dylon Darling, Zach Darling, John Gall, Daniel Hribal, Nathan Kovach, Clayton Lucki, Brad Soltis, Trevor Stefanski. The team is coached by Art Wiegand. The JV Boys Basketball team has done a tremendous job of coming

together and working as a unit. The team plays with a lot of heart and intensity. The team is working hard to learn the strategies and plays of the varsity so they will be able to transition to the next level for the 2015 season. The Firelands Varsity Boys Basketball team currently has a record of 6 wins and 8 losses. After a slow 1-7 start, the Falcons have won 5 of their last 6 games with their only loss coming in double overtime, 66-65, to Brookside. Key contributors as of late have been Juniors Casey Smith, Johnny Sigsworth, and Cole Sklarek. Casey Smith leads the team in scoring, averaging 12.3 points per game while Cole Sklarek leads the team and area in assists at 6.5 assists per game. Freshman Colin Myers has played significant minutes as of late and leads the team in rebounding at 7.4 rebounds per game. The Falcons hope to continue their winning ways as they close out the season and head into tournament play. Go Falcons!

### Bowling

The Girls Varsity is currently 4<sup>th</sup> out 8 teams with 8-5 record in the North Shore Bowling Conference Division 2. Emily Krieg's 170 average is 9<sup>th</sup> best in the conference (80+ total bowlers). As a team they have bowled the 3<sup>rd</sup> highest team series in the conference division 2. The Boys Varsity has struggled some this season and currently has a 3-10 record. Justin William's 201 average is the 14<sup>th</sup> best in the conference (90+ bowlers). Earlier this season, he was named Chronicle Telegram Bowler of the Week when he bowled his high game of 259. All JV bowlers have been working hard on fundamentals and have seen their scores improve thru the season. The Bowling Team Banquet will be held at German's Villa on March 5<sup>th</sup>. We are looking for any bowling alumni who would like to attend. Please contact Coach Davis at [davisken29@yahoo.com](mailto:davisken29@yahoo.com) for more info.

### OTHER NEWS IN ATHLETICS.....

Our softball program just held a very successful clinic on Feb. 1st. We had 65 girls from grades 1-12 throwing the ball around, having fun while learning proper techniques and winning hundreds of dollars worth of prizes. The instructors were 6 young ladies who had played college ball recently, lead by Jessica O'Connor, who was a record setting pitcher at UNLV. Helping the younger ones while they were learning were 20 players from last year's softball program. This was to get us tuned up for the upcoming season and give us a break from open gyms & weight lifting. Prior to this, we had 2 teams playing at Rival Sports in the winter ball league where we had an overall record of 12-11-1. The league was used for development of players with a lot of defensive rotations. Next up will be tryouts starting February 24th.

### Tournament Dates

**Thirty-six 6th grade students  
now ready for 7th grade!!  
Hooray!**

Thirty-six of the current 126 sixth grade students do not have to worry about being excluded from school next year because their immunizations aren't up-to-date. Thank you parents of these 36! However, there are still ninety (90) sixth grade students who need to catch up, and they received notices with their second quarter report cards. They will need to get a Tdap (tetanus-diphtheria-pertussis) booster. This is a requirement by Ohio state law because of outbreaks of whooping cough (pertussis) in middle school populations across the state. If your child is currently in 6<sup>th</sup> grade and received a Tdap or DTP in October 2009 or later, he/she does not need to get an additional shot, but the school needs to receive the updated record. If there has NOT been one since October 2009, your child will need to get it. You can go to your regular healthcare provider, a retail walk-in clinic, or to one of the health department walk-in child immunization clinics (see [www.loraincountyhealth.com](http://www.loraincountyhealth.com) for dates, times, locations, or call 440-322-6367. No one is turned away from a health department clinic because of inability to pay). If students who are currently in 4<sup>th</sup> and 5<sup>th</sup> grades get a Tdap booster, it will count for 7<sup>th</sup> grade.

If your child has had a recent Tdap or DTP, please send a copy of the updated immunization record to the school nurse, Mrs. Matus, being sure your child's name is on it. Don't forget to keep a copy for yourself!

# SAM GLENN - "The Authority on Attitude"; BESTSELLING AUTHOR; ARTIST; AND MOTIVATIONAL SPEAKER VISITS FIRELANDS HIGH SCHOOL

Back: Patrick Stewart, Mike Anadell, Brandon Palmer, Emma Ranney, Ali Butler, Sam Glenn, Cole Lewis, Chrissy Balint  
Front: Dan Klesta, Alli Vilagi, Jessie Beran, David Tipple, Katie Fath

On February 4th the Firelands FFA, Firelands Student Council and the principal's fund sponsored nationally renown speaker and best seller Sam Glenn. Emma Ranney, Firelands FFA President welcomed the Firelands students in grades 9 - 12 to the assembly. Students were then wowed by Sam Glenn's stunning chalk art drawing of a lighthouse on the water. After finishing the drawing he spent time talking to the students about being courageous and making good decisions. Students laughed and learned from his stories and lessons.

Sam Glenn has been a resource for hundreds of organizations who are working to develop positive people that make positive decisions. He is energetic and humorous as he empowers his audience with an attitude that improves lives. The FFA chapters from Firelands, South Central, Wellington, Western Reserve, and Monroeville schools all are sponsoring visits from Sam the week of February 3rd.

## FHS Art Society Helps FAVA

FAVA, the Firelands Association for the Visual Arts, in Oberlin was in desperate need of a studio overhaul. Their classroom was overflowing with art materials and furniture that needed to be managed. Yarn needed to be untangled, the sink scoured, the floor cleaned, paint and glue refilled and shelves sorted and stocked. It would take a small army to “reset” the studio to be ready for spring semester classes. That small army was the FHS Art Society! The students performed this kind act of community service afterschool on Jan. 22 and all day Sat. Feb. 1. The studio now has a functional space, thanks to the helpful hands in Art Society.

FAVA is ever grateful to these “art angels” for restoring their studio:

Halle Borer, Andrea DiAsio, Lauren Holcomb, Victoria Krejci, Elizabeth Miller, Olivia Mowry, Loren Myer, Anthony Myer, Anthony Smith, Daniel Truitt, Tara Brown, Andrew Biery, Hollie Lindsey and Caitlin Rovere

# STUDENT COUNCIL NEWS

On February 12, 2014, FHS Student Council representatives visited Birthright to tour the facility and donate various baby items and necessities. The products donated had been purchased by the money received from our change collection in December. Currently, Firelands Student Council is working on our next two events: Winter Senior Appreciation and Spring Fling. Winter Senior Appreciation recognizes all the seniors who participate in a winter sport. On Friday, February 21st, a pep rally will be held at the end of the school day to kick off the event with recognition of each senior to follow before the varsity basketball game that night. A hospitality room will open at 5:30 in the library for all seniors and their parents. Student Council's proceeding event will be Spring Fling on March 15th. Tickets for the dance will go on sale in early March; the cost will be \$10 pre-sale and \$15 at the door. We look forward to our upcoming events and aspire to pull them off with success.
