Many thanks to everyone who has contributed in the past. With the continued support of the community the Endowment’s 16 separate funds have been able to award 430 grants totaling over \$500,000 to enhance the educational process of the Firelands School District.

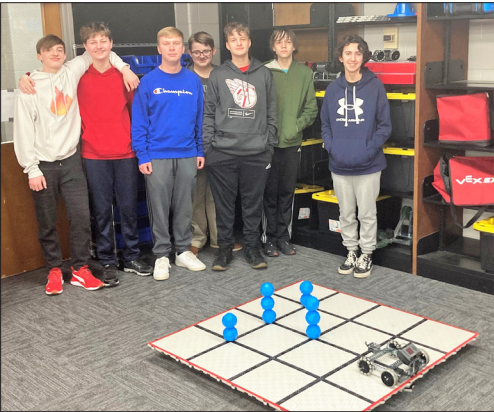

Past grants have helped students attend class sponsored trips, supplies for the Ag department, the Young Authors Stories program, visiting artists, musicals, S.T.E.M. programing, School Bus Safety programs, to name a few and the Outdoor Classroom at the new high school.

2023 Scholarship winners
Over \$500,000 in scholarships have been awarded to over 430 students through the years.

A trip to the Cleveland Museum of Art by FHS students was supported in part by the Endowment Fund.

Scholarships to 353 deserving students in the amount of \$405,000 have also been awarded.

Endowment Board Treasurer Dan Pycraft presents one of the many scholarships funded by the Endowment Fund.

All of these made possible by tax-deductible contributions from our community members, alumni and staff which are never spent. Only the interest earned will be available for distribution. Contributions keep working over and over again to improve the educational process of our schools.

The Endowment Trustees are hoping that the Firelands community will support this event by **making a donation on this date, September 21st**. Donating to the Firelands Endowment Fund is the perfect way to help continue the legacy to enhance the lives of those in the Firelands Schools. **Place a reminder in your calendar now and feel free to share with your Falcon friends.**

Please consider making a donation in support of the Firelands Schools Endowment through the Community Foundation on Thursday, September 21st.
