

FIRELANDS MENTAL HEALTH RESOURCES

SUICIDE CRISIS HOTLINE: 988

NAVIGATOR HOTLINE: (440)-240-7025

A potential client or the parent/guardian of a client calls the navigator and provides general information about mental health concerns. The navigator will facilitate a three-way call with the agency that is:

(1) clinically appropriate

(2) has the shortest wait.

The navigator will remain on the line until there are no obstacles that could interfere with the potential client getting connected to the right agency. The navigator service is available in English and Spanish.

Accessing mental health resources can be incredibly beneficial for students and parents/guardians, offering support as families navigate these important years. Resources focused on mental wellness can provide helpful strategies for managing stress, enhancing focus, and building resilience. Firelands Local School District does not specifically endorse any resources that are shared; however we support the journey of mental health and appreciate the resources that are available.
