RE: Congratulations to the Firelands High School 2020 National Honor Society Inductees

I would like to congratulate our newest members of the NHS Induction Class of 2020, and also thank our current members from the Class of 2020 for being fine leaders and examples of character, service, and scholarship. All of our young people honored here have fulfilled the four pillars of the National Honor Society tradition. NHS, founded in 1921, has four pillar which each student is expected to uphold as National Honor Society members. They are as follows

**CHARACTER:** FHS NHS students uphold principles of morality and ethics, are cooperative, demonstrate high standards of honesty and reliability, show courtesy, concern, and respect for others.

**SCHOLARSHIP:** NHS students have and will maintain a cumulative grade point average of 3.5 or higher, as of the end of the first semester of either their junior or senior year.

**LEADERSHIP:** FHS National Honor Society students are leaders who are resourceful, good problem solvers, promote school activities, idea-contributors, dependable, and persons who exemplify positive attitudes about life.

**SERVICE:** They volunteer for the betterment of FHS and the surrounding community, done with a positive, courteous, and enthusiastic spirit.

Our NHS students display these pillars each day. They contribute to making the FHS a better place by building on their experiences and making a positive difference at FHS. They have a passion for volunteering to help specific causes or people in need. The Firelands High School NHS students carry themselves with dignity and take responsibility for their actions and positive participation in helping the FHS community. Finally, NHS students display a selflessness and character that exemplifies the positive influence they have become at Firelands High School.

Congratulations to the students listed below. In this time of uncertainty, we would have liked to honor them with an induction ceremony, but due to the circumstances of today, we feel that our students needed to be recognized, regardless if we could do it in a live situation.

FHS is very proud of our current members and the new inductees to the Firelands High School chapter of the National Honor Society. These students are listed below:
