

## Add Students to Your Account

Use this procedure to add one or more students (for whom you have legal and parental rights) to your parent account. Once added, you will be able to view their information by way of your account. To edit or remove a student associated to your account, contact your school.

1. On the start page, click **Account Preferences** from the navigation menu. The Account Preferences – Profile page appears.
2. Click the **Students** tab.
3. On the Students tab, click the **Add** icon to add a student to your parent account. The Add Student dialog appears.
4. Use the following table to enter information in the applicable fields:

**Note:** The **Cancel** and **Save** buttons appear shaded until information is entered.

Field	Description
Student Name	Enter the first and last name of the student you want to add to your account. <b>Note:</b> Regardless of the name you enter, the system will populate the name based on the access ID and password for the student.
Access ID	Enter the unique access ID for the student. <b>Note:</b> If you do not have this information, contact your school's PowerSchool administrator.
Access Password	Enter the unique access password for the student. <b>Note:</b> If you do not have this information, contact your school's PowerSchool administrator.

5. Click **Submit**. The Add Student Dialog closes. The newly added student appears under My Students. Additionally, an account changes confirmation email is sent to your email address.
